

DECA QUARTERLY MEETING MINUTES

Wednesday, April 15, 7:00pm

1. Association Business: The DECA Board proposed bylaws changes related to the timelines for annual board member elections. These changes would move annual elections from the January membership meeting to the October membership meeting. This would allow the new, incoming board to “hit the ground running” at the first of the new year. A vote by the membership to enact these changes will be held at the July 2015 quarterly member meeting.
2. Guest Presentation: Adam Causey, Chamblee Economic Dev. Manager, “The Evolution of Commercial Development in Chamblee”
3. Chamblee City Manager's Office Presentation: “City Takes on Sanitation for DECA Area July 1: What You Need to Know.” Plus an overview of “Georgia Cities Week.”
4. Presentation: Julie Erwin, DECA Neighborhood Rep, Wakefield Forest/Friends of Dresden Park, “Dresden Park Revitalization.”
