Chamblee Police Weekly Report

Crime Prevention Tips For The Holiday

-When parking your vehicle to go shopping, remember where you parked it! Always park in a well lit and well traveled area. Do not park in a remote dark area.

-When you return to your vehicle, scan the interior of your car to be sure no one is hiding inside. Check to see if you are being followed.

-Have your keys in hand when approaching your vehicle. You will be ready to unlock the door and will not be delayed by fumbling and looking for your keys.

-When storing items purchased at the stores, place them out of sight. The best place is in a locked trunk.

-Do not leave your purse, wallet, or cellular telephone in plain view!

-Don't resist if someone tries to take any of your belongings. Don't chase someone who robs you, they may have a weapon. **Instead call 911.**

-Lock your vehicle and put up your windows even while you are driving.

-If you go to an automatic teller machine for cash, check for people around and make sure it is well lit and in a safe location.

-Carry only the credit cards you need and avoid carrying large amounts of cash.

-Beware of the "a good deal" scams. Things are not always what they appear to be.

-If you are purchasing toys for small children, be sure that they are safe. You will be surprised what a small child can swallow or what can injure them.
